- ➔ Support a rate increase *(SB308 can help address this)*
- ➔ Keep the increased funding for Early Supports & Services (ESS)
- ➔ Continue to support the developmental services budget and the DD waitlist
- ➔ Restore funding to promote and educate families on STABLE NH Accounts

For more tips and support with writing your testimony contact your legislative liaison at your area agency or Heather Young at hyoung@csni.org

We let the House hear our voice in hearings last month - now it is time to do the same with the Senate!

If you are able to attend either of these budget hearings (**May 7th beginning at 1pm at the State House in Concord**, or **May 8th from 7-9pm at Manchester City Hall in Manchester**), please do so!

Funding for our services and programs is important and the best way to make our needs known is to make our voice heard. Verbal testimony at the hearings is the most effective way, and it can be very short and simple. If you are unable to commit to verbal testimony, you can simply sign-in at the hearing in support of fully funding DD, and/or submit written testimony to Jillian Clemans (jillian.clemans@moorecenter.org) and she will be sure it gets to the Senate.

Please also contact Jillian to RSVP and for any questions or coaching needed for testimony.
