In-Home Supports Waiver Update

WE NEED YOUR INPUT

New Hampshire's Department of Health and Human Services needs your feedback as the Bureau of Developmental Services (BDS) begins the In Home Support (IHS) Waiver renewal process.

The renewal process is lengthy and includes collaborative meetings with a wide range of stakeholders to gather input on the waiver. BDS is working with the Institute on Disability (IOD) to deliver three listening sessions statewide. You can participate in the listening sessions

noted below or provide input by email or mail. Sharing what has worked and what needs attention helps inform waiver changes in the application that will be available for public comment in Spring 2020.

WHEN: The listening sessions are as follows:

Tuesday, November 12, 2019 – Plymouth

Thursday, November 21, 2019 – Nashua

Monday, November 25, 2019 – Concord
