UPDATE: Family Support Holiday Party

Although we're unable to reschedule the event, we know that many of you depend on the gifts you receive at our annual Family Support Holiday Party. Therefore, we've scheduled an evening for parents/guardians to pick out toys for children receiving services (ages 0-21), and

their siblings.

Parents/guardians are welcome to come select toys at our Eddy Rd. facility on Tuesday, December 10th, from 5:00 p.m. to 7:00 p.m.

Children aren't allowed in the toy room, but we'll have staff to watch them while you make selections. You're also welcome to come alone.

Santa will be available for children who want a picture, although we won't have a

photographer available so you can take pictures with your phone.

Here are the details:

Date: Tuesday, December 10, 2019

Time: 5:00 PM to 7:00 PM (doors will not open until 5pm)

Location: The Moore Center/Community Based Services
97 Eddy Road
Manchester, NH 03102

Thanks for your patience while we've been making alternate arrangements, and please follow our Facebook page for more details as they become available.
