*Creating opportunities for a good life.™*

## Moore Center Resources Page

We've assembled a collection of resources that we feel will be helpful to our families and staff. Feel free to check them out and send us your suggestions. Our goal is to help in any way possible as we all deal with the issues caused by the Covid-19 pandemic. We are also posting updates to help you understand the impact it's having on The Moore Center in general.

## \$50 Visa Gift Cards for Those in Need

Our management team and Board of Directors collaborated on a way to get short-term funds to families and staff who need help with

essentials, like food and medicine. The purpose of this initiative is to support families and staff on a crisis/essential basis. We're keeping things simple and acting on trust rather than a complicated application process.

There's no one reading this that hasn't needed help at one time or another, and not only is The Moore Center community strong, we recognize

that our greatest strength is that we know how to help each other. So, if you need a hand with essentials, please reach out.

## Covid-19 Testing at Pease

Anthem Blue Cross and Blue Shield in New Hampshire is partnering with ConvenientMD to open a Drive-Thru COVID-19 Testing Site at Pease. Testing is available for anyone - you don't have to be an Anthem subscriber.

Anthem's financial support will allow ConvenientMD to provide COVID-19 testing on a much larger scale. The push to provide additional testing services is in response to the unmet and growing need to identify COVID-19-positive patients as the virus spreads.

## A Guide to Surviving Financially as

# the Bills Come Due

The coronavirus has dealt a financial blow to millions of Americans and now April's bills are coming due.

The good news is there is help available. Reach out immediately to your mortgage lender, student loan servicer or utility provider to see what's available. Other assistance, such as stimulus checks or unemployment benefits, will take more time. The bottom line is that you need to take action to seek certain forms of relief.

This article offers help in navigating the biggest issues.

## How do you talk about COVID-19 to people with intellectual disabilities?

Coronavirus is changing people's lives dramatically. People can no longer take part in activities outside the house, meet with friends, go to work or clubs or anything else that

involves groups of people. People can no longer visit elderly relatives, and people's families can no longer visit. Suddenly, the holiday someone you support had been looking forward to is cancelled.

# Over-the-Counter Drugs Can now Use Flexible Spending Account Funds

One of the many components to the CARES Act is that Over the Counter (OTC) drugs and medicines are now permanently eligible for the FSA. This means that employees will no longer need doctors notes to pick up these items. The OTC definition was also expanded to include menstrual care products.

## New Telemedicine Benefit

There's a new telemedicine benefit available to all NH residents. From 8am-4pm, ConvenientMD will be offering virtual office visits. For anyone that has Harvard Pilgrim, these visits

are covered in full.

## NH Food Map

COVID-19 has both increased the need for food resources and created an environment in which they are more difficult to obtain. This map is for those in need of food resources, as well as those looking to support sites with donations and volunteerism. Click below to see

the NH Food Access Map. Thanks to the UNH Extension program for providing this resource.
