## The Moore Center Gives Back Program

### **Our staff is donating their time to help you!**

In the spirit of “We’re all in this together,” The Moore Center is offering to give back to our community in this time of need.

Do you know someone who could use a little help with some light yard work? **(it’s free)** Or maybe a free potted plant or flower pot to brighten their day? We have staff available to help!

You can make a request here, either for yourself or someone you know. This is open to anyone, of any age, who could use a helping hand or an emotional lift. Check out the details and make a request on our website.

## **Need More Family Support Respite?**

The Family Support Council is offering

additional Family Support Respite to any family in need of additional respite supports. Please reach out to your Case Manager or Aida Schneider at [aida.schneider@moorecenter.org](mailto:aida.schneider@moorecenter.org) to request this additional respite.

Those participating in Family Directed Services (PDMS) or In-Home Supports are not eligible for this additional Family Support Respite.

## Parent Information Center Webinars

The Parent Information Center is a statewide family organization that provides families and youth the knowledge and support they need to make informed

decisions that enhance each child's development and well-being. They offer a schedule of online webinars covering a variety of topics of interest to families with children who have developmental disabilities. Here are some of their upcoming workshops:

- 5/27  
- Taking your child to the hospital during Covid-19
- 5/28  
- Ground Hog Day Anxiety and Self-Care
- 6/3

-  
Bouncing  
Back:  
Building  
Resilience  
in  
Families  
with  
Young  
Children  
after  
COVID  
19

## Food Security for NH Residents with Disabilities and Their Families

In New Hampshire, more outreach is needed to connect people with disabilities to vital food resources. Reducing food insecurity means better health and wellness for NH residents with disabilities and their families.

# HEROES Act & Educating All Learners Program

## The HEROES Act

The HEROES Act provides additional assistance for health care, housing, education, employment, food assistance, elections, paid leave, and much more. **The Autism Society** prepared a summary of provisions that specifically impact people with autism and other disabilities.

[Read the HEROES Act summary here.](#)

## Educating All Learners

**The Autism Society** is a partner in the Educating All Learners, an alliance of organizations dedicated to helping to ensure the continuity of special education services during remote instruction and to spotlight best practice approaches for schools and educators, an alliance of national education organizations has come together to ensure equity for all learners. Members of the Autism Society Panel of Professionals and the Policy Committee are helping to review and post resources for students with autism.
