The Tim Tebow Foundation "Night to Shine" Event

NIGHT *to Shine*
SPONSORED BY THE **TIM TEBOW**
FOUNDATION™

Join this virtual event on Friday, February 12!

The Tim Tebow Foundation "Night to Shine" event is being held virtually this year on Friday, February 12. Registration is filling up fast!

Since it's a virtual event you can register anywhere, but many locations have limits and are filling up. The **Faith Church in Maine** still has openings, and there are other locations that you can find through the Tim Tebow Foundation website. Register soon if you want to participate!

Plain Language Guides for You and Your Community

Do you want to learn more about the COVID-19 coronavirus pandemic? The Arc has made COVID-19 videos for disability advocates. The videos explain the coronavirus pandemic and how it is affecting daily life. Topics

include:

- What is COVID-19?
- How is coronavirus affecting people with disabilities?
- Supports for people with intellectual and developmental disabilities during the coronavirus
- Wearing masks to help prevent the spread of coronavirus
- What's next? Getting back to normal after COVID-19

We hope these tools help you and your community understand and learn about the pandemic.

Learn How to Have One-on-One Meetings With Your Elected Officials

ABLE NH is hosting a free virtual training on Thursday, January 28th at 7 PM.

- It's a budget year! Play your part in advocating for full funding for the Developmental Disability waiver. The Finance Committee Hearings will not be enough. Set up a 1:1 meeting with your NH House Rep TODAY!
- During these unusual times, one part of the strategy toward DD funding is for the DD community to meet early and often with members of the NH House.
- Attend this training to learn or refresh your relationship building skills.

Meeting via Zoom with your Representative doesn't have to be scary!

No registration required! Join us on Zoom using the link below.

Meeting ID: 833 5263 2599

Contact leahs@ablenh.org for more information.

NH Vaccine Requirement Update

Vaccines in NH are available for residents only.

I am not a NH resident but I own property in NH, am I eligible to receive the vaccine in New Hampshire?

No, you are not currently eligible to receive the vaccine in New Hampshire. Individuals will need to bring at least one of the documents below when they arrive to get their vaccine:

- Valid, unexpired NH Driver license or Non-Driver ID card.
- A payroll check, payroll document, or employment contract showing individual's legal New Hampshire address, dated within the last 60 days.
- A government issued payment (ie. social security), showing individual's legal New Hampshire address, dated within the last 60 days.

HB-103 - A Bill to Establish a Dental Benefit

There is a public hearing on HB 103 at 1 pm on Monday, February 1st. Webinar ID 96551569054 This bill is to establish a dental benefit under the State Medicaid Program. As many of you may know the dental program at Poisson Center at CMC remains closed since the start of the pandemic. There is usually a waitlist to get services there as well.

The following email will be monitored throughout the meeting by someone who can assist with and alert the committee to any technical issues: hcs@leg.state.nh.us or call (603-271-3600).

[Click here to read HB103 as introduced.](#)

Watch hearing via Zoom - Monday, February 1st, 1:00 p.m.

Hearts of Glass Film Screening and Panel Discussion

The NH Council on Developmental Disabilities is sponsoring this event.

Thursday, February 25th from 2-4 PM EST

Join the Employment Leadership Awards Committee for a virtual viewing of the nationally recognized film, Hearts of Glass. This JenTen creation documents how cutting-edge food production meets social good in an ambitious experiment to provide year-round produce to a mountain town, while providing meaningful employment for community members with disabilities.

The film will be followed by a panel discussion with filmmaker, Jennifer Tennican, and two employees of Vertical Farms. The panel will talk about their successes and challenges and will answer questions from attendees.

The film's trailer can be viewed at <https://www.heartsoglassfilm.com/>.

Community Crossroads Testimony Training Session

The 2021 NH Legislative Session began this month amidst the COVID-19 pandemic. Virtual access to some legislative hearings will be made available this session to help ensure the health and safety of lawmakers and the public. Citizens can view hearings virtually and offer remote public testimony.

This legislative session is particularly important to people touched by disability because the NH lawmakers will vote on a new state budget and determine funding levels for Developmental and ABD Services.

In an effort to ensure individuals and families know how to access hearings and testify remotely we are offering a FREE valuable online

training session tonight - Wednesday, January 27th from 6-9 PM.

At this workshop participants will learn how to:

- Write a letter of testimony
- Submit a letter of testimony
- Testify at a virtual public legislative hearing

Harvard T.H. Chan School of Public Health - Webcast Series

HARVARD T.H. CHAN
SCHOOL OF PUBLIC HEALTH

In the 21st Century, decisions about health issues require intense cooperation and understanding between scientific experts and those in a position to make and implement policy decisions affecting populations worldwide. The Forum at Harvard T.H. Chan School of Public Health — a live webcasting series — hopes to provide decision-makers with a global platform to discuss policy choices and scientific controversies, allowing participants to leverage their collective knowledge.

Upcoming webcasts:

- Mental Health in the Time of COVID-19 - January 27th, 2021
- A Catalyst for Humanity - A Conversation with Isabel Wilkerson - February 1st, 2021
