A Couple of Fun Activities

Here are a couple of activities to consider for those who are at home working, learning, or caring for a loved one and looking for something new to try.

Science Bob

Home learners may want to check out Science Bob. It's a science store that makes setting up experiments fun and easy.

<https://www.sciencebobstore.com/>

A Virtual Travel Experience

This website let's you drive around cities across the world while listening to the local radio stations. You can even hear the background city noises:
