## We Need Your Advocacy!

It is budget season once again and we're asking families and staff to advocate for fully funding the DD budget when the New Hampshire Senate holds a public hearing on May 4, between 1:00 – 5:00 and 6:00 – 8:00.

### Here's what we're asking:

- **Sign in in support of the budget.** (Click on "Advocacy Options" below or [here](#) for simple instructions.)
- **Provide written testimony in support of funding the DD budget.** (You can edit the sample below and email it to the NH Senate Finance Committee members listed.)
- **Contact us if you're willing to testify at the budget hearing** (via zoom) in support of one of the following areas (you can email [dave.bastien@moorecenter.org](mailto:dave.bastien@moorecenter.org)):
  - Early Supports and Services

- In Home Supports Waiver
- Acquired Brain Disorder Waiver
- Transition into adult services for the Developmental Disability Waiver
- Caregiver getting older and how service needs change
- Oral health care for adults on Medicaid
- Families who have had challenges with staffing

With your help we can convey the importance of ensuring that the DD budget gets fully funded.
