MDSC Educator's Forum Webinar Series, Fall 2021

This webinar series is a great resources to share with your child with the school team of your child with Down syndrome.

From the MDSC:

At the Massachusetts Down Syndrome Congress, we remain committed to providing timely information and resources for education professionals and parents of school-aged children as they work to ensure that students with

Down syndrome and other intellectual or developmental disabilities receive the best education possible in this uncertain and challenging season.

We have once again reimagined our Annual Educators Forum and will offer a webinar series throughout the fall with topics related to education

during and after the pandemic.

Here is our Fall 2021 workshop series:

- Re-energizing Inclusion During and After the Pandemic: Creating Accessible Instructional Materials for Students with Down Syndrome
- Empowering ALL Students With Universal Design for Learning: Engage, Access, and Express in the Classroom During and After the Pandemic
- A Nine-Step Process for Determining Where, When, & How to Address IEP Goals for Learners with Extensive Support Needs
- Teaching Children with Disabilities to Read During a Pandemic: At Home and At School
- Attachment, Separation and Loss During the Pandemic, and Their Complications: Supporting Students with Down Syndrome in the Classroom

See the details and register through the link below.
