Phase One Update

Hello Moore Center Families,

While we are encouraged by recent trends that indicate that the spread of COVID-19 is moving in the right direction, we are still concerned about the numbers we are seeing in the community.

For this reason, we will remain in our current phase - Phase One - until at least February 14th.

As always, our goal is to keep your family and our staff safe, and we are as eager as you to return to a more normal level of services.

Be well,

Janet
