Gubernatorial Candidates Town Hall on Disability & Chronic Conditions

Tomorrow, Tuesday, September 20th

NH Advocacy Groups Host In-Person/Virtual Conversation with Senator Sherman and Governor Sununu

Concord, NH – Reflecting the growing and changing priorities of the disability community in New Hampshire, the two major candidates for Governor in New Hampshire have agreed to attend a Gubernatorial Town Hall on Disability & Chronic Conditions held on September 20th, from 4:00-6:00 pm in Manchester.

This event will be broadcast live online from Girls At Work, Inc with members of

Gubernatorial Candidates Town Hall on Disability & Chronic Conditions

September 20, 2022 | 4:00 pm
Register: iod.unh.edu/events/GTH22

Live captioning and ASL interpreting supported
by the Disability Rights Center-NH

Hosted by disability organizations:
GSIL, DRC-NH, IOD, ABLE-NH, NHCDD, PIC,
NHCYCC, CSNI, & BIA-NH

the disability community in attendance. The hybrid approach will ensure full access to a wide-ranging conversation on disability priorities.

Governor Chris Sununu and Senator Tom Sherman will deliver their disability policy platforms and

vision if elected. Each candidate will be invited to speak one at a time on topics covering inclusive education, workforce shortage, housing, transportation, and disability employment.

Hosted by Granite State Independent Living, ABLE-NH, Disability Rights Center-NH, the NH Council on Developmental Disabilities, Community Support Network, Inc, the Council for Youths with Chronic Conditions, the Brain Injury Association of NH, the Institute on Disability at UNH and the Parent Information Center. The event will be moderated by Scott Spradling of the Spradling Group.

The Arc of Massachusetts Transition Conference, Part 2

The Arc of Massachusetts will be hosting regional forums on transition. Each forum will feature panels of self-advocates, parents, and

professionals discussing entering adulthood. In addition, attendees can learn about local programs and services from exhibitors.

The forums follow the Charting the LifeCourse framework's three "buckets" of support:

- Discovery and Navigation: having the information and tools you need to navigate life
- Connecting and Networking: making connections with peers and resources to help you navigate
- Goods and Services: the day-to-day tangible items you buy or use from public and private organizations in your community

Saturday, September 24
8:30AM – 1:30PM
Bridgewater State University
Rondileau Student Union

THIS EVENT IS IN CONCORD, MA:

Saturday, October 29
8:30AM – 1:30PM
The Guild for Human Services
521 Virginia Road, Concord, MA

Self-advocate and parent panels will be held in the morning with time to visit resource tables to find out about services in your area. Morning refreshments and a box lunch provided.

Manchester School of Music has in-person programs for Adults and Children.

- Band Practice for Adults is signing up for Session 2.
- The Miracle Project is for Adults (18+) and begins Thursday, Sept 29th.
- Sing, Play and Move is for 3-4 year olds and signing up for Session 2.

They have financial scholarships for all of the programs, and full scholarships available for The Miracle Project.

They're offering another session of The Miracle Project for the remainder of this fall in partnership with Southern New Hampshire University. This program, which is fully inclusive, utilizes the performing arts (visual art, acting, music, and movement) to connect both neurotypical and neurodiverse individuals in a welcoming environment.

They have scholarships available, so please don't hesitate to reach out for application information if you know of someone who is interested.

Information on all programs is below. Anyone interested can contact Shannon Laine: shannon@mcmusicschool.org or call her: (603) 644-4548, ext 206.
