2023 NH Family Support Conference Survey

Dear Families,

We need your feedback for the 2023 NH Family Support Conference!

Your response to this survey will help the planning team build a conference that meets the needs of your family and others across the state.

It's important to remember that this survey is distributed statewide. The planning committee is trying to eliminate duplicated responses so that feedback will be accurate and contain specific family input within your region, so there is no need to pass the link on to other families. All Area Agencies are sharing the survey to all families they work with.

This survey should take no more than 5 minutes to complete. It can be accessed through the link below which will bring you to the Survey Monkey platform. **It'll be available for family responses until September 30th.**

If you have any questions, please do not hesitate to contact Angela Boyle, Conference Coordinator at fsconference@communitycrossroadsnh.org or 603-893-1299 Ext 344.

Thanks for being part of this important event!
