NH Family Ties - Your Partner in Family Support

NH Family Ties is a Relationship Building Organization that provides Peer to Peer support for families that have a loved one with a disability, chronic condition or has special health care needs.

Our programs and partner programs cultivate the building of trusting relationships between case managers and families. When connecting individuals, parents, care-givers and siblings 1:1, a person's mental health and over all well-being can improve through the sharing of resources, information and providing emotional support.

Learn about NH Family Ties and the programs they offer via this informational Zoom meeting on February 14th from 10:00 a.m. to 11:00 a.m.

Summer Camps - The Early Bird Gets the Worm

A message from NH Family Ties:

It may seem like it's a bit early to get this information out, but you know the old saying... "early bird gets the worm."

Below are 2 links to websites that list available camps and recreation programs:

NHCAMPS lists camps available to ALL people with some search and filter options:

NHCAMPS:

<https://nhcamps.org/For-Parents/Camps-Directory>

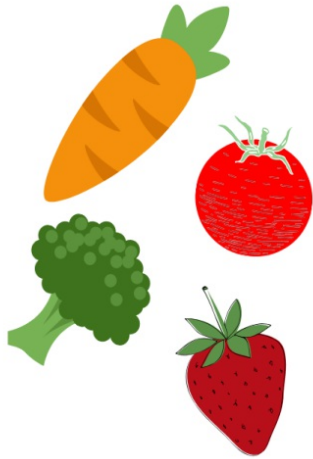

NeedyMeds lists camps and Recreational programs, not only in NH but Nationwide. Search options can be by Diagnosis, location, age (adult too!), financial assistance... pretty cool actually! For regions that abut other States (MA, ME, VT) there may be the opportunity to access camps and programs in their area as well... check it out!

NeedyMeds:

https://www.needymeds.org/camps/list_aos_camps/NH/State

Don't delay! It can take time to process applications and apply for financial assistance and slots fill up quickly.
