Ambassador Training: Why I Walk

The other event we're hosting is our Ambassador Training: Why I Walk on Saturday, April 15th, from 10 am - 2 pm, at Saint Anselm College.

The Ambassador Training is open to anyone who wants to learn how to share their story about inclusion and about advocating for disability rights through speech writing and public speaking.

There's no cost for this event and we provide lunch - a fan favorite - Puritan Chicken Tenders, Fries, and Veggie Stir Fry!

NH's new dental benefit for adults on Medicaid rolls out Saturday

Article from The Keene Sentinel

The Keene Sentinel

Starting Saturday, 88,000 New Hampshire adults on Medicaid become eligible for basic dental services.

Northeast Delta Dental will provide the care under a \$33.4 million contract the N.H. Executive Council awarded Nov. 2 following passage of bipartisan legislation. Rep. Joe Schapiro, D-Keene, was the prime sponsor of the House measure, and the Senate approved an identical bill.

“I think the fact that it is actually starting is worthy of celebration,” Schapiro said this week, adding this is an example of lawmakers coming together in a positive way to help people in need.

“We’re always talking about what can happen, and this is something that actually is about to happen,” Schapiro said.

Adult Medicaid participants can seek dental care by calling 844-583-6151 or going online at dentaquest.com/newhampshire. There is also a 24/7 emergency care option available through teledentistry, available at bit.ly/NH-teledentistry.

Gail Brown, director at the nonprofit N.H. Oral Health Coalition, said proponents have worked for more than 20 years to get the new benefit in place.

“For the 88,000 adults on Medicaid who currently don’t have access to dental care, this is a truly life-changing benefit,” she said.
