## A message from ABLE NH:

**Good Afternoon ABLE NH Members and Friends!**

We have an advocacy opportunity to present to our members. Our Seacoast Chapter has spent some time in the past years providing feedback to the downtown Dover redesign project. The committee in Dover who is working on this, is looking for us to review the plan and provide them with feedback, from the perspective of disability advocates.

If you would like to provide your feedback, [here is the link to a 45 minute video about the project](#). ALL are WELCOME to provide feedback!

Please provide your feedback to Sarah Tollefsen by email at [sarah@ablenh.org](mailto:sarah@ablenh.org) or by telephone at 603-660-0823 by May 30th. I will put all of our feedback together for the Dover committee.
