Family Support Conference Registration and Sponsorship Opportunities - Deadline June 28th!

It's time to register for the 2023 Family Support Conference [@fsconh] which will take place at the DoubleTree Hotel in Downtown Manchester, NH on August 5th and 6th!

The Family Support Council is offering to sponsor individuals

for both the conference attendance fee, and/or the hotel cost. If you're interested in being sponsored for either the conference fee or hotel, please contact Cheryl Paquette at the Moore Center, 603-206-2814.

IMPORTANT: The deadline is June 28, 2023 for sponsorships.

Reserving your room for the weekend is a separate process and the details for that, as well as all of the adult and children's workshops, can be found at the conference website <https://familysupportconference.com>.

Please note: space is limited for some programs.

BDS shares Compliance Webinar Series and Invites Families to Information Sessions

The Bureau of Developmental Services has announced the release of its new **Family Webinar Series** and **Family Information Sessions**.

BDS has developed a webinar series, “**Introduction to Direct Bill and Conflict Free Case Management in New Hampshire’s Developmental Disabilities Service System**” to provide individuals and families an overview of the changes to the service delivery system going into effect on July 1, 2023.

After viewing the series (link below), **families are invited to join BDS**

staff for in person question & answer sessions to learn more and ask questions about the changes being implemented and how it will improve the state's service delivery system. **Please see the invitation at the link below for dates and locations.**

If accommodations are required for communication access such as interpreters, CART (captioning), assistive listening devices, or other auxiliary aids and/or services, please contact Peggy Sue Greenwood at peggy.s.greenwood@dhhs.nh.gov or (603) 271-5034. At least 5 business days advance notice is requested in order to assure availability; requests made fewer than 5 days prior to the event will attempt to be accommodated but cannot be guaranteed.

Down syndrome Depression Study

LURIE CENTER

MASSACHUSETTS
GENERAL HOSPITAL

MassGeneral Hospital
for Children™

Laura Sarnie, a Research Coordinator at Massachusetts General Hospital is working with Dr. Robyn Thom to conduct a study offering medication treatment and follow-up care to adults with Down syndrome who are experiencing symptoms of depression.

Participants in this study receive top-notch clinical care from MGH doctors

and psychiatrists who specialize in Down syndrome, without having to pay for these appointments or experience long wait lists. There is only one in person visit required the rest of the follow-up visits can be virtual.

If you're interested in participating, please see the attached flyer and contacts them directly about participating in the study.
