Help The Moore Center win a \$5K Grant!

Bangor Savings Bank
You matter more.®

Community Matters More

Nonprofits give so much to our communities. Now it's time to give back to them by voting to help local nonprofits win a grant.

Your vote can make a difference!

The Bangor Savings Bank Foundation is having their Community Matters More Campaign, which gives back to local nonprofits. Throughout the month of February visit bangor.com/cmm and write in your vote for The Moore Center and you could help us receive a \$5,000 grant!

Click the button below to vote!

Support HB-1168 to Address Housing for People With Disabilities

This issue is so important. Please see the message and link below from our friends at ABLE NH to take action:

Thank you to WMUR-TV for covering the disability housing crisis in New Hampshire. Want to take action on this issue? Send the NH House Special Committee on Housing a message about HB-1168, which would establish a legislative committee to study the impact of the housing crisis on the disability community.

HB1168 is important because it will greatly benefit people with disabilities by starting the conversation about people with disabilities and the lack of housing. With your input, the committee will come up with Legislation to address this issue.

To register your support and/or offer feedback, visit this link:

<https://www.gencourt.state.nh.us/house/committees/remotetestimony/default.aspx?>

Step 1: Fill in your personal information in this section.

Step 2: Go the hearing date on the calendar: Friday, February 16th

Step 3: Select the Special Committee on Housing, and then Select HB1168. Answer the other questions about who you are (most likely a member of the public is your choice) and whom you are representing. Then click on "I support this bill". You can just click on submit at the bottom of the screen, or go on to step 4

Step 4: Here you may upload your testimony (.pdf is your safest bet) or just type a message below. These messages are more likely to be read than attached documents.

Whether you add a testimony or not in Step 4 be sure to click on Submit at the bottom of the page.

Brain Injury Recovery Clubhouse is Accepting New Members!

Granite Pathways is pleased to announce that Seacoast Pathways Psychosocial Clubhouse is serving both individuals with mental illness and those with an acquired brain disorder.

Seacoast Pathways, a psychosocial clubhouse model program of Granite Pathways, is excited to announce they are accepting brain injury survivors to its recovery program.

As a structured day program, the unique clubhouse model offers opportunities to connect with others, to find purpose, and to practice skills for successful progress towards independence, socialization, and psychosocial rehabilitation.

Clubhouse members identify goals that align with personal interests and desired skills. If getting back to work or school or just feeling more confident at home and in the community is your goal, the clubhouse can help you!

DHHS Case Management Training Listening Sessions

The New Hampshire Department of Health and Human Services (DHHS), Bureaus of Elderly and Adult Services (BEAS) and Developmental Services (BDS), in partnership with the Human Services Research Institute (HSRI), the UNH Institute on Disability, and the University of Missouri at Kansas City Institute for Human Development, will hold two additional public information sessions to seek input on training priorities for case managers and service coordinators who support New Hampshire's Home and Community-Based Services (HCBS) services for older adults and people with disabilities.

This work is one of several initiatives in the state's evaluation of New Hampshire's home- and community-based services. DHHS is working with HSRI and its partners to assess training and support for case managers and service coordinators and develop a plan to ensure equitable access to high-quality, person-centered case management and service coordination across the State.

Anyone who has feedback about HCBS case management and service coordination is encouraged to attend a listening session. For additional information about the listening sessions or to provide direct feedback, please email NHCMassessment@dhhs.nh.gov.

In-person listening session:

Thursday, February 22, 2024 - 10:00 am – 12:00 pm
Northeast Delta Dental Conference Center
Two Delta Drive, Concord

Virtual listening session:

Wednesday, February 21, 2024 - 6:00 – 8:00 pm
The link for the virtual sessions is: <https://bit.ly/48GjOiZ>
Or by telephone: 1-646-931-3860 - Meeting ID: 854 1798 7066
