## **SB 408: Senate Hearing on Housing Crisis**

Thank you to everyone who submitted testimony for HB 1168. We need your help again, but this time it is for the Senate. You can basically reword your earlier testimony to adapt it for this bill. Please consider coming to Concord and providing your testimony in person. It really makes a

difference!

SB 408 is basically the same idea, but for the Senate. Here are the details: SB 408 would establish a committee to study the effects of the housing crisis on the disability community.

**The hearing is February 21st at 9:15 in the Legislative Office Building, room 101.**
