Summer 2024 Focus Groups

Granite Pathways has opened a Brain Injury Clubhouse in Manchester!

A Message From Granite Pathways:

Granite Pathways is excited to announce that the Manchester Pathways' Brain Injury Clubhouse is open and ready for participants! Similar to Seacoast Pathways Clubhouse in

Portsmouth, individuals in the Manchester area can now experience the same camaraderie and skill-building opportunities unique to the clubhouse model.

As a structured day program, Manchester Pathways offers opportunities to connect with others, to find purpose, and to practice skills for successful progress towards independence, socialization, and psychosocial rehabilitation. Clubhouse members identify goals that align with personal interests and desired skills. If getting back to work or school or just feeling more confident at home and in the community is your goal, the clubhouse can help make this happen!

Both clubhouses are now offering "open house" hours on Friday morning from 8:30 a.m. -10:00 a.m. throughout the summer. Stop in and say hello, enjoy muffins and coffee, and learn about the clubhouse model and all it can do for you or your loved one! Or if you prefer, you are welcome to call or email either clubhouse to schedule a time to visit and learn more about us.

Both Manchester Pathways and Seacoast Pathways are open every weekday from 9:00 A.M. - 4:00 P.M. (Wed until 4:30).
