

**The Moore Center**  
*Creating opportunities for a good life.™*

**A message from the NH Department of Health and  
Human Services, Division of Long Term Supports and  
Services, Bureau of Developmental Services**

The Bureau of Developmental Services (BDS) is looking to hear from families who access self-directed services through Home and Community Based Services (HCBS) waivers. We want to learn about your experiences and what parts of your program are working well, as well as your thoughts and ideas on what improvements should be considered.

Please take a few minutes to fill out the **Self-Directed Programs: Participant Directed and Managed Services/In-Home Supports Programs Survey**.

The feedback gathered from this survey will help guide the future strengthening of these services. **The survey will close on Monday, August 26th.**

The link to survey is below.

Also, please join us on August 15th at 5pm for the **Participant Directed**

**and Managed Services (PDMS) focus group.** Please register using the link below.

Thank you so much for your time and input!
