2025 Direct Service Professional Support Survey

Hello everyone,

As the state legislature works on its version of the NH state budget, we want to ensure **adults receiving DD/ABD waiver services** and their families are heard. The link below is to a survey for individuals and families to complete regarding their access to DSP staffing over the past month. We hope to hear from as many respondents as possible by **Friday, February 28th**. The anonymous information we obtain from this survey will be shared with the legislature to advocate for funding.

PLEASE SHARE THIS EMAIL WITH ALL INDIVIDUALS AND FAMILIES YOU SUPPORT AND THROUGH ANY SOCIAL MEDIA CHANNELS YOU MAINTAIN. This is intended to be filled out by adult DD and ABD waiver participants and their families about their experiences.

The closure date for this survey is Friday 2/28/25 at midnight.

Thank you all for your assistance with this important effort.
