195 McGregor St., Manchester, NH
03102

Discover Services for People with Disabilities
in Greater Manchester!

**A FREE Vendor & Resource Fair for
Individuals, Families, and
Caregivers**

WHAT YOU WILL FIND:

Face-to-face connections with local and state-wide agencies that provide essential supports and services. This is a great opportunity to explore options for individuals with developmental or intellectual disabilities and acquired brain disorders of all ages and abilities.

Who Should Attend?

- * Individuals with developmental or intellectual disabilities and acquired brain disorders.
- * Family members of those individuals.
- * Guardians and Caregivers.
- * Case Managers and Service Coordinators.
- * Students exploring careers in human services.

Saint Anselm College Meelia Center for
Community Engagement's 34th Annual

Valentine's Day Dance!

Saturday, February 14 from 1-3pm
In the New Hampshire Institute of Politics

Each year over one hundred young adults and adults with intellectual and cognitive disabilities from the community join an equal number of student volunteers for a fun filled afternoon of dancing and activities! Don't miss out on the fun this year!

Snacks and drinks will be provided.
The New Hampshire Institute of Politics is wheelchair accessible.

Are you aware of a group (or individual) that we forgot to invite? Help us by inviting them and let us know who will be attending.

Please RSVP or contact us with questions at
603.641.7108 or MeeliaCenter@anselm.edu

Updates will be posted on Instagram
(@sacmeeliacenter)

See you at the dance!

**You will need outdoor gear, if you don't have it please let us know & we will provide some.

NH Council on Developmental Disabilities

The DD Council now has a page on its website dedicated to mapping out accessible trails, parks, and playgrounds across the Granite State. Please check out the map (and the locations) using the link below. If there are any accessible trails, parks, and/or playgrounds that you are aware of in the state that you do not see on the map, please reach out to the DD Council so they can be included.

Our Homestead - Join us March 11, 2026

Our Homestead is a 501(c)3 non-profit created by family and friends of adults with developmental disabilities. Our goal is to provide much needed housing for the many adults in New Hampshire who need a safe, stable living situation. We began as a group of parents who have the mutual concern about what will happen to our loved ones when we are no longer able to care for them. Our children are adults now, but we realize that those of you with younger children will be facing the same lack of housing options in the future if we do not all work together to create additional housing for them. Housing options are now very limited, thus we are following the lead of other parent-led groups in our state to build or renovate housing.

We are based in the greater Manchester region and appreciate the support of the Moore Center. We officially began fund raising in December 2025 and are excited to report we have raised nearly \$18,000 to date. We so appreciate those stepping up to help support us. Going forward we need to locate land to build on or an appropriate building to renovate. The need is great and we are looking for volunteers who have a heart to help us meet this critical need. We are currently creating committees to help with marketing, fundraising, as well as potential site researching.

We will be hosting our next community informational meeting at the Moore Center on March 11th from 5:30 to 7:30 PM. Let us know if you would like to attend by emailing us at Events@ourhomesteadnh.com. We hope you can join us. Meanwhile, please check out our website at: www.ourhomesteadnh.org If you have any questions, feel free to email us at Info@ourhomesteadnh.org

**MomsRising
NH Legislature Toolkit**

Hi there – We're so glad you're here!

At MomsRising New Hampshire, we believe that democracy works best when families and communities are heard.

Every mom, parent, and caregiver deserves to feel confident having a voice in the decisions that shape our lives — and this toolkit was created to make that easier.

THE LATEST NEWS AT CAMP FATIMA

Special Needs Week 2026

We're looking forward to another great summer at Camp Fatima!

NEW THIS YEAR - we offer two sessions:

Session 1: Sunday, June 14 – Saturday, June 20

Session 2: Sunday, August 16 – Saturday, August 22

Please review the descriptions of each session below to ensure the program you apply for is the right fit for your camper.

Special Needs Week Session 1 is a dedicated, one-week co-ed overnight camp program for campers age 9+ with mild to moderate intellectual and developmental disabilities. There is a 3:1 camper-to-staff ratio for support. Special Needs Week Session 1 is designed for campers who:

- Can walk unassisted
- Can manage basic self-care with minimal help (dressing, toileting, hygiene)
- Can communicate their needs

Special Needs Week Session 2 is a very similar program, but it is intended to also accommodate campers with more significant intellectual and developmental disabilities. There is still a 3:1 ratio for campers who can function in that environment, but there are also opportunities for campers who need a 1:1 ratio for additional support and assistance. This week is ideal for campers who:

- Need assistance walking or require a wheelchair
- Require attention for behavioral support
- Are nonverbal or have impaired communication

Applications open online February 2, 2026 at 9am EST, for both new and returning campers. <https://bfcamp.com/about/special-needs/>

Mark your calendars for the Family Support Conference. Registration opens soon!
