## New Hampshire Leadership Series

Recruiting now for the 2026–2027 Training Series!

The New Hampshire Leadership Series is a leadership and advocacy education program dedicated to advancing equity and inclusion for people with disabilities and their families.

Designed for individuals with disabilities, family members, and allies, and open to all, this program provides in-depth learning in disability history, service systems, and public policy while developing practical leadership skills through real-world advocacy experiences.

- Established in 1988
- 15 – 25 participants per cohort
- Approximately 60 hours of training
- September – April
