

The Moore Center Family Support Advisory Council

Families Serving Families

moorecenter.org/fsc

Looking for a free, all-inclusive family weekend getaway?

The Family Support Conference might be exactly what you need. The Conference is an annual event where NH families and professionals come together, share experiences and learn together and from each other. Scheduled from Friday, April 24 to Sunday, April 26, 2026, you're welcome to join for any or all days, and the Moore Center Family Support Council will sponsor costs for eligible families.

The fun kicks off on Friday evening with an inclusive pizza party and two inclusive planetarium shows at the McAuliffe-Shepard Discovery Center. Saturday is stacked with informative workshops, activities, and networking opportunities at the Grappone Conference Center. All meals—breakfast, lunch, and dinner—are provided, with raffles and family games wrapping up the day. The conference ends on Sunday Funday, where families can choose an activity such as a movie, trampoline park, return to the McCauliff Center or check out the SEE Science Center.

Families can book hotel rooms for Friday and Saturday, and the Moore Center's Family Support Council will pay registration, activity fees, and hotel expenses for eligible Moore Center Families who are interested in attending.

For more details, reach out to the Moore Center's Family Support Manager at 603-206-2814. Don't delay, the registration deadline is approaching, and sponsorship spots are filling up fast.

The DD Council now has a page on its website dedicated to mapping out accessible trails, parks, and playgrounds across the Granite State. Please check out the map (and the locations) using the link below. If there are any accessible trails, parks, and/or playgrounds that you are aware of in the state that you do not see on the map, please reach out to the DD Council so they can be included.
