

Med Clinic, In-Person Clinic Details

Clinic Location

Annex to The Moore Center (2-story brick building)
Located directly behind The Moore Center (4-story brick building)

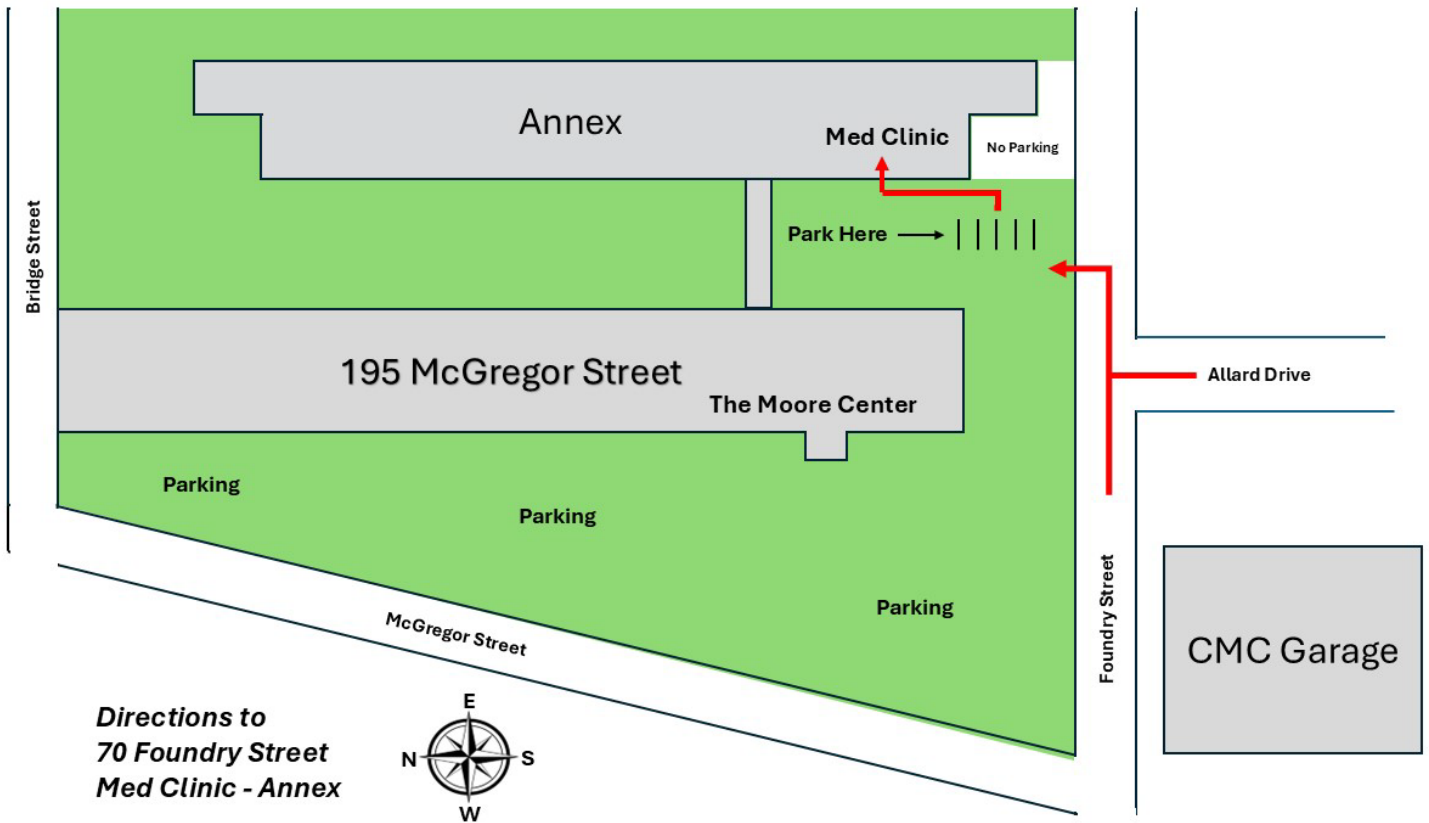

70 Foundry Street, Suite A

Manchester, NH 03102

Med Clinic Coordinator's Phone: **603 206-2779**

There are three types of directions below: a map, written directions, and pictures.

Map:

**Directions to
70 Foundry Street
Med Clinic - Annex**

Written Directions:

GPS applications will correctly send you to the Annex building if you search for 70 Foundry Street. Unfortunately, they then send you far beyond our office, down to the end of the very long Annex building. That part is incorrect.

1. Turn onto Foundry Street. It is between The Moore Center (195 McGregor) and the tall CMC parking garage.
2. Proceed east, straight toward the river and the Turnpike.
3. As soon as you pass the four-story Moore Center building, turn left into the driveway located between the two buildings.
4. Park in one of the first five spots on your right. These five parking spots (with signs) are reserved for The Moore Center. There is additional parking on the Moore Center side of the driveway, as well.
5. If you drive past the radio station or the overhead catwalk (covered walkway bridge), you've gone too far!!
6. There is a short ramp in front of our parking spots. Walk down the ramp, then turn left in front of the building. There is a Med Clinic sign on the door.

Pictures:

Picture One: Driving east on Foundry Street toward the river. Pass Allard Drive on your right. Just past the 4-story Moore Center (on your left), turn into our driveway (left arrow).

Picture Two: Our driveway off Foundry Street. Turn left just before the white sign. Our parking is on the right. If you go past our driveway to the stop sign, you've gone too far!

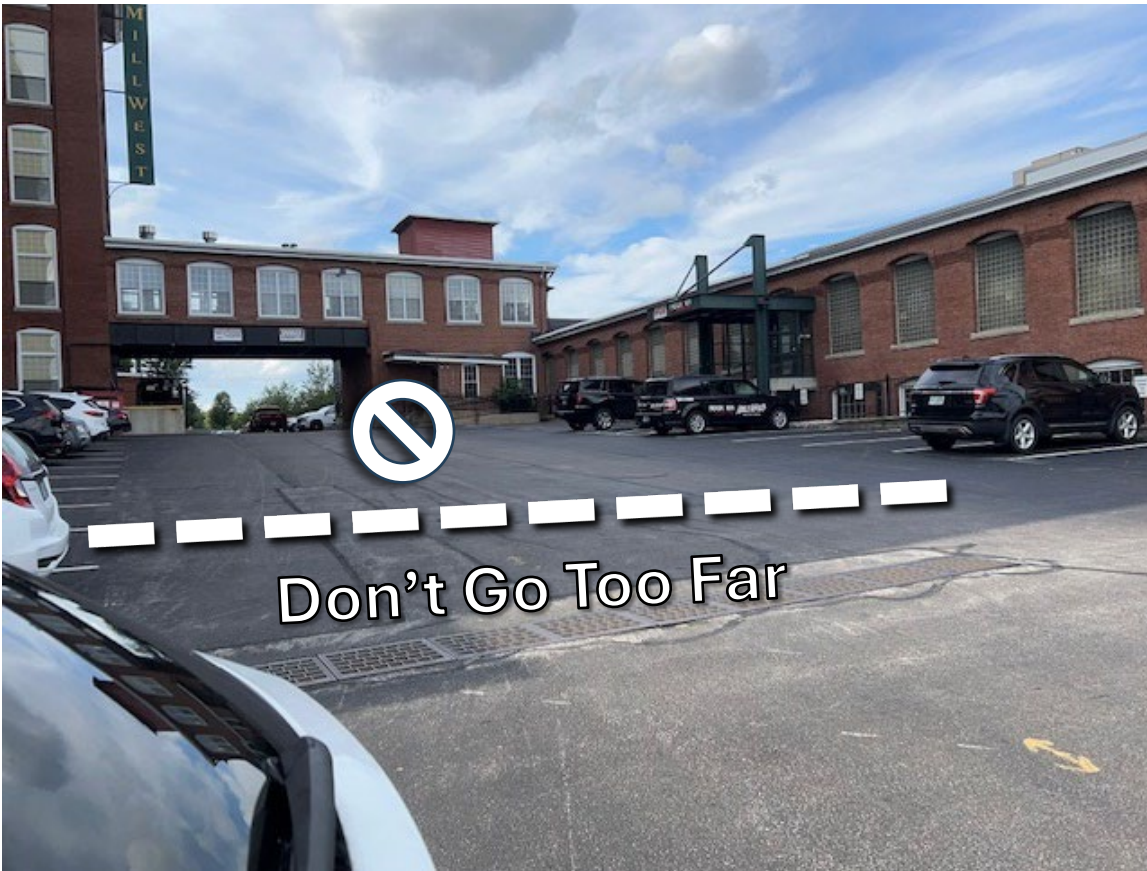

Picture Three: Immediately on the right after you turn into the driveway. Five parking spots reserved, with Moore Center Services signs. Our entrance is below the vertical arrow.

Picture Four: Overhead view of ramp and our door. WGIR radio station is to our left. Turnpike and river are behind us.

Picture Five: The ramp down to our door. Notice the "A" sign for Suite A.

Picture Six: Just past our office. Do not go past the radio station or the catwalk.

Picture Seven: The back side of the Annex. Turnpike is on the right. You went too far down Foundry Street and missed the turn into our driveway. There is no entrance to our office here. You want to be on the other side of this building.

Tardiness

Please arrive at least 15 minutes early to park, and for our Medical Assistant to take your client's vitals.

If you are more than 10 minutes late, we will consider you as having missed your appointment. This will mean rescheduling out three to four months.

If Others Need to Log In

If additional team members need to join the session via doxy.me, please have them use this link. Note that there is no letter "s" following "rwilliam":
