Help Shape the Future of Developmental Services in New Hampshire! With the passage of Senate Bill 670, New Hampshire is establishing a new Developmental Services Oversight Commission to strengthen the quality, safety, and accountability of developmental services statewide.

The Commission includes dedicated seats for:

- * **Two parents of individuals receiving developmental services**
- * **Two individuals receiving developmental services**

If you or a family member is interested in helping shape the future of our service system, we encourage you to apply through the Governor's Office. Individuals with lived experience bring invaluable perspectives that can help improve services for people across New Hampshire.

Programs Available to Help Lower Cooling Costs

As New Hampshire summers continue to bring more heat and humidity, a number of state and local programs are available to help residents manage the cost of keeping their homes cool. These include rebates for energy-efficient cooling systems, income-based electric bill assistance, and support through local nonprofits and Community Action Programs, with additional options available for eligible older adults and households facing financial strain. Community Ridesharing:

The Underexplored Option of Neighbor Helping Neighbor

Join ABLE NH's TrEq (Transportation Equity) Task Force for a Lunch & Learn on Ridesharing, which is defined as on-demand rides using a personal vehicle driven by its owner, as part of an arrangement made using an app or other digital platform. We will explore ridesharing initiatives in NH and discuss how forming ridesharing initiatives can be beneficial for communities. This event will include a presentation and Q&A. Attendees will receive a one-pager on highlights from the session and information on how to take next steps!

AARP and United Way Worldwide Expand 211 Caregiver Program to New Hampshire – Increasing Support for Millions More Family Caregivers

Millions more family caregivers across New Hampshire now have easier access to critical support through the expansion of the Caregiver Support Program offered via 211 – the 24/7 free, confidential 3-digit helpline.

The 211 helpline is confidential, free, available 24/7, offered in 180 languages, and available to anyone seeking support – whether they are a caregiver or not. Through the specialized Caregiver Support Program, caregivers in participating locations can simply dial 211 to connect with resources that cover a wide range of topics, along with direct connections to local services, including:

- Local referrals for transportation, food delivery, home safety, respite care, veterans' benefits, and more
 - Support to address the caregiver's own basic needs, like housing, employment, or emotional support
- For more information about the Caregiver Support Program, visit www.aarp.org/211care. To connect with a 211 specialist, simply dial 2-1-1 or visit www.211.org

New Free Bus Route Pilot Connects Manchester's North End

The Manchester Transit Authority is launching a free pilot bus route serving Manchester's North End from June 22 through September 5. Route 42 will operate Monday through Saturday with multiple daily trips, connecting riders to destinations including Price Rite, Elliot Health System, Livingston Park, and Hannaford. The route is wheelchair and mobility device accessible, and riders can request stops between scheduled locations. Community members are encouraged to use the service during the pilot period to help demonstrate demand for a potential long-term route. [Explore the Route](#)

NH Council on Developmental Disabilities Accessible Recreation Map

For people with disabilities, older adults, and young families, access to outdoor recreation elevates quality of life and keeps people connected to nature and to each other. This tool was created by and will be continuously updated by the DD Council. [Click for more information here](#)

If you know of an accessible recreation opportunity in NH that you don't see on the map, please send all input to Chase.G.Eagleson@ddc.nh.gov

Webinar

BEYOND TRADITIONAL THERAPY: FAITH COUNSELING, COGNITIVE COACHING, AND PROBLEM-SOLVING APPROACHES FOR BRAIN INJURY

July 29, 2026
12:00pm - 1:30pm ET

Individuals living with brain injury benefit from supportive approaches that extend beyond traditional clinical counseling. This session explores alternative intervention strategies that promote resilience, self-management, and community participation.

Presenters:

Shannon Juengst, PhD
Clinical Investigator
TIRR Memorial Hermann

Deana Adams, Ph.D., LPC-S
Executive Director
Hope Behavioral Health

Taryn Barlow, CCC-SLP
Cognitive Health Coach/Founder
The Well Brain

Free to Attend
Certificates of Attendance or Social Work CEs available at an additional cost.

www.nashia.org/trainings

Participants Will:

Learn about all three types of supports and how integrating diverse approaches—spiritual, cognitive, behavioral, and community-based—can enhance recovery, empower individuals with brain injury, and promote meaningful participation in everyday life.

- Faith-based counseling
- Wellness and cognitive health coaching through speech-language pathology (SLP)
- Innovative problem-solving and self-management interventions

CONTACT PERSON NOTIFICATION PROGRAM

A statewide public safety initiative that allows residents to voluntarily provide contact information of a legal guardian or other individuals who can assist law enforcement in communicating with persons with cognitive impairment or other disabilities.

Voluntarily submitting your loved one's information will give law enforcement additional knowledge on how best to interact with them and allow you, the caregiver, to be contacted directly and in a timely manner.

To learn more about the program, how it works, and how you can sign up, call (603) 223-3872, email us at NCIC@dos.nh.gov, or visit: nhsp.dos.nh.gov.

Videos Highlight Pathways to Independence

Assistive Technology New Hampshire (ATinNH), part of the UNH Institute on Disability, has created a set of new videos showcasing how assistive technology (AT) tools can support people with disabilities in leading more independent lives. Video topics include [independent living](#), [employment](#), [community and recreation](#), and more. [Learn More About ATinNH](#)
