Join us for a special presentation!

SOCIAL SECURITY BENEFITS & DISABILITY PROGRAMS

Families, Caregivers, and Individuals with Disabilities Welcome

Presentation by the Regional Social Security Administration Public Affairs Specialist

 **Tuesday, October 6, 2026**

 **12:00 Noon**

Virtual Presentation via Microsoft Teams

This session will provide families with practical information about Social Security programs and benefits that may be important to individuals with disabilities and their loved ones. There will be opportunities to ask questions during the presentation, including a dedicated Q&A period

SSI - What Support May Be Available?

Learn about **Supplemental Security Income (SSI)**, who may qualify, and how SSI can provide financial support to individuals with disabilities.

SSDI - How Does It Work?

Learn about **Social Security Disability Insurance (SSDI)**, eligibility requirements, and how an individual's work history can affect benefits. Get answers to common questions families have about Social Security benefits, including what to consider as a loved one's circumstances change. Bring your own questions for our Social Security Specialist.

What You'll Learn

- ✓ Social Security programs and benefits
- ✓ SSI eligibility and financial supports
- ✓ SSDI eligibility and work history requirements
- ✓ Planning for changing circumstances
- ✓ Resources available to families and individuals with disabilities
- ✓ Answers to your Social Security questions
